

# Fall into TeamUnity

Don't miss out on these fun-filled, interactive & engaging seasonal programs perfect for Fall! Oktoberfest and Halloween are around the corner, TeamUnity has everything you need to make your seasonal events come alive with their own personal touch.

Our Oktoberfest program takes the best aspects of our beer blending program; the emcee, the creative label making & of course the satisfaction of making your own beer! Our themed decor will set a festive ambiance your guests will appreciate!

Let the goosebumps spread! This year, go beyond the basics and book TeamUnity's unique haunted house program. Encourage creativity, collaboration & allow your guests to build their very own haunted room. Scare your colleagues silly, and build communication at the same time!

Whether you're looking to dance the night away in costume or want to find thrills and chills at a haunted house, we've got the perfect event for you! TeamUnity offers a wide range of themed programs, costume performers & much more! Need music? We have a DJ who can liven up any event!
