

VIRTUAL EDITION

ESCAPE THE ROOM

60 to 90- Minutes on the Clock. Can your team come together to Escape?

Engage with your remote team like never before in one of our fun and adrenaline filled virtual escape room experiences, especially designed for Corporate competition.

Our Escape Room Games not only encourages creative problem solving as Teams participate in a variety of teambuilding tasks, each adventure challenges your team's ability to effectively work together in order to find the clues and escape within a limited amount of time.

Utilizing breakout rooms, Teams are divided where they collaborate completing a series of unique challenges in small groups. Only through trust, cooperation and individual contributions will teams advance to the next challenge. Promoting healthy competition, teams' race against the clock to win top rank. Can your team escape the fastest?

CHOOSE YOUR TEAM ESCAPE
