

TEAM CASINO CHALLENGE

EXCITING VIRTUAL CASINO GAMES WITH LIVE DEALERS!

TeamUnity's virtual **Team Casino Challenge** begins with each team choosing a Captain and receiving a designated amount of chips. You choose in advance the style of play with our LIVE virtual casino: follow a rotational format as one team working together -or- navigating the casino tables independently (utilizing Zoom breakout room feature). At each table, our professional LIVE dealers and staff will help instruct teams on how to communicate, learn applicable casino tricks, and work most effectively together to compete and collaborate as one team.

The team with the highest COMBINED winnings at the end of the event will be declared the ultimate casino champions!
